A photograph of a hummingbird in flight, positioned on the right side of the frame. The bird has a long, thin beak and is hovering. Its wings are spread, showing intricate feather patterns. To the left of the bird is a vertical stalk of purple flowers, likely a Wisteria, with several small, bell-shaped blossoms. The background is a soft, out-of-focus green and blue, suggesting a natural outdoor setting.

*Let them praise  
the name of the Lord,  
for His name alone  
is exalted;*

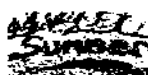

*His splendor is  
above the earth  
and the heavens.*
