

I lift my eyes toward the mountains.

Where will my help come from?

My help comes from the LORD,
the Maker of heaven and earth.

We welcome our visitors today! Thank you for joining us. Please fill out the attached visitor's form and place it in the offering plate.

Our Roof Repair Began This Past Week!

Thank You, church family and the many friends outside the church family who opened their hearts to give to our church at Blue Ridge. The offering given is amazing and could not have been reached without God's lovingkindness and purpose for our church. We know this did not have to happen, yet He touched us and showed us the way. Let's lift our eyes and hearts up to praise Him and seek His will for our future ministries.

The Offering Envelopes are Here!

The new envelopes have a place to check for a special designated offering and the amount you give for that special offering, as well as a place to check and write the amount of your regular tithes and offerings. This will help the counters determine how to record your gift. The envelopes are in the glass hallway.

Our Quilting Class is Here at Last!

Our next Crafting Class takes place next Sunday, January 27 from 2:00- 4:00 pm. Mrs. Olive Parsons, our neighbor across the street, has volunteered to teach us to make a small quilt. Many people make quilts from their children's clothes, t-shirts from marathons and running events, favorite colors, or as gifts to babies, the homebound or their own families.

If you have a special quilt already, please bring it and we will have Show and Tell. It may be your grandmother's, mother's or yours.

You may bring your portable sewing machine or sew by hand.

Olive has a special testimony about what happened to her church when they put news about their making children's quilts online. They heard from people with help from all over. After delivering the 190 quilts to Panama City's hurricane victims, everyone came back changed. They will make another trip at the end of February.

Bring a friend and come enjoy a nice afternoon together!
